DOUBLE GOLD FOR THE CHEESE WAREHOUSE AT THE CHEESE "OSCARs"

THE CHEESE WAREHOUSE has **WON ALL THREE TOP MEDALS** in the grated cheese section at this year's Nantwich Cheese Show.

The company collected **GOLD**, **SILVER** and **BRONZE** medals, as well as a trophy, in the grated class at Nantwich Cheese Show for mature cheddar, coloured cheddar and Gruyere cheese.

In addition, we also received a **GOLD** for our new **Extra Mature Cheddar sandwich slices** and a **SILVER** medal for our new **Fontal Cheese**.

The Nantwich International Cheese Show is the world's biggest and most prestigious cheese competition, with over 1900 cheeses entered this year and receives entries from across the globe.

Sam Trevor, Managing Director said: *"In our first year of business and our first time at the Nantwich Cheese Show, we are absolutely delighted at the result. To win a medal would have been good but to have won all three was unbelievable"*

NEW EXTRA MATURE SANDWICH CHEESE
